Membership Meetings

We plan to kick off the new year with Contract negotiations at NJP. Prior to starting that process, we have four upcoming meetings planned to review survey results, bargaining priorities, and draft bargaining proposals with the membership. OPEIU staff will be present to go over any questions or concerns you might have. While it is not possible for us to hold meetings at each of the 17 NJP locations, we will be following up with all members via email after conducting the four meetings listed below.
