Union Contract Passes by 90%!

The Tentative Agreement with changes to the Union Contract (Collective Bargaining Agreement) passed with 90% voting yes. Management was notified. We can expect retro pay back to January 1, 2018 on either the September 22nd or October 7th pay check. The Union office will make the changes to the existing CBA and distribute new contracts once we have a finalized signed agreement.

Labor Management Committee Volunteers Needed

During contract negotiations the Union and Management made a commitment to meet monthly to discuss issues and concerns that arise during the term of the contract.
