OPEIU Local 8 & UFCW 21 PRMCE Bargaining Update

As we move into the new year both unions will be gearing up their efforts to save EIB and get everyone the best possible contract that we can.

We invite all members from both unions - **OPEIU Local 8 & UFCW 21** - to join us in a Membership Meeting on **Wednesday, January 23rd** in the Cascade Room in the Medical Office Building/MOB located on the Colby campus. Please plan on joining us any time between **11am – 2pm**. Come on your break or lunch and learn more about our efforts needed to save EIB.

Topics on the agenda will be Bargaining Updates, Next Actions, Status on Postcard Delivery, and Leafletting Sign-Up for the Hospital and Community. We will also have yard signs for folks to take back to their communities, neighborhoods, friends and family.

We hope to see you there!
