COLLECTIVE BARGAINING AGREEMENT

SEA MAR COMMUNITY HEALTH CENTERS HOMECARE AIDES

THIS AGREEMENT is made and entered into at Seattle, Washington this 1st day of July 2021, by and between SEA MAR COMMUNITY HEALTH CENTERS HOMECARE AIDES, a nonprofit Washington corporation, hereinafter referred to as the "Employer," and OFFICE AND PROFESSIONAL EMPLOYEES INTERNATIONAL UNION LOCAL NO. 8, AFL-CIO, hereinafter referred to as the "Union," for the purposes of fixing the hours, wages and other terms and conditions of employment by Employer of employees represented by the Union as defined in Article 1, and of defining the mutual obligations between the parties hereto.

PREAMBLE

WHEREAS, the parties desire to cooperate in establishing conditions which will tend to secure for the employees concerned wages and fair and reasonable conditions of employment, and to provide methods of fair and peaceful adjustments of all disputes which may arise between them so as to secure uninterrupted operations of the Employer, the Employer and Union agree as stated below.

ARTICLE 1

RECOGNITION OF THE UNION

The Employer recognizes the Union as the sole and exclusive collective bargaining agent with respect to rates of pay, hours and all other terms and conditions of employment for the bargaining unit of all non-supervisory community aide employees of the Homecare Department of Employer who have been in the employment of the Employer for thirty-one (31) days or more. "Employees" and "employee" hereinafter shall refer only to employees within the bargaining unit, unless otherwise indicated. During the life of the Agreement, the inclusion of all Community Aide employees into the Union will be contingent upon sufficient funds to cover all of the expenses associated with this inclusion. The Agreement will automatically reopen for negotiations at any such time the Employer demonstrates a significant financial loss exceeding program funding.

ARTICLE 2

UNION SECURITY

Section 2.1 The Employer agrees that effective on the date of ratification of this agreement all employees covered under this Agreement pursuant to Article 1 shall, as a condition of employment, thirty-one (31) days from the effective date of this Agreement, become and remain members of the Union in good standing.

Section 2.2 DUES DEDUCTION The Employer agrees that all new employees hired subsequent to the effective date of this Agreement shall, as a condition of employment, thirty-one (31) days from the effective date of employment become and remain members of the

Union in good standing. Good standing shall depend on payment of the Union initiation fees and dues in accordance with the attached dues schedule. The “effective date of employment” as used here and hereinafter shall be the first date on which work is commenced by the employee. Regular full-time and regular part-time employees shall be hired on a probationary period for the first seventy-five (75) calendar days commencing from the effective date of employment. Termination or discipline during this period will not be subject to review by the union.

Section 2.2(a) The Union shall notify the Employer in writing that an employee has failed to acquire and maintain membership in the Union and shall provide the Employer with a copy of the final warning to the affected employee that they have not acquired and maintained membership in the Union. In the event the employee fails or refuses to tender the dues and fees on which they are delinquent within thirty (30) calendar days of receipt by the Employer of notice from the Union, the Employer shall discharge said employee. The aforementioned time periods may be extended by mutual agreement of the Employer and the Union.

Section 2.3 DUES CHECK-OFF The Employer shall distribute to new employees, on the effective date of employment, check-off authorization cards and explanatory materials as may be mutually approved by the Employer and the Union.

Section 2.3(a) Upon receipt of a written check-off authorization card voluntarily signed by an employee, the Employer shall make periodic deductions from the wages of such employees and remit the same to the Union for payment of current regular dues and initiation fees in accordance with the below-stated provisions.

Section 2.3(b) The Employer shall deduct current regular monthly dues and Union initiation fees commencing from the first paycheck of each month following thirty-one (31) days from the effective date of employment, subject to further limitations set forth hereinafter, and remit such fees to the Union. Initiation fees and dues shall be deducted from the employee's paychecks and remitted to the Union on the next paycheck due to the employee fifteen (15) calendar days after the Union has notified the Employer of the initiation fees and dues for the employee.

Section 2.3(c) Ten (10) days after ratification of this Agreement, the Employer shall provide the Union with a listing of all employees together with name, address, date of birth, telephone number, job classification, rate of pay, hours worked weekly during the previous six (6) months, and effective date of employment. From this list the Union shall calculate and provide the Employer with a schedule of dues and fees to be deducted from the employee's paychecks and remitted to the Union.

Section 2.3(d) The Employer shall deduct from Community Aides who have submitted a signed authorization card and remit to the Union on a monthly basis. Additionally, the Employer will submit the following information to the Union at least monthly:

Section 2.3(d)(1) Payroll authorization forms for all newly hired Community Aides that include the employee's name, site, rate of pay, position, any change of status.

Section 2.3(d)(2) The Employee Basic Information Form for newly hired Community Aides that includes name, address, phone number, date of birth and emergency contact information.

Section 2.3(e) Employee Termination Forms for all Community Aides who separate from employment with Sea Mar to include employee name, reason for termination and effective date of termination.

Section 2.3(f) The Employer shall not be responsible to the Union for any remittance of fees and dues except for such fees and dues actually deducted from the employees' paychecks pursuant to the provisions specified herein. The Employer shall not be responsible to the Union for payroll deduction except for such dues specified by the Union in notices to the Employer pursuant to Sections 2.3(b-e), and for which pay is owing to the employee, and for which the employee has submitted the dues check-off authorization form. The Union shall indemnify and hold Employer harmless from any claims from employees regarding such Union payroll deductions as are made by Employer and remitted to the Union pursuant to the Union's instructions to the Employer under this Agreement. Any claims for overpayment or underpayment of Union initiation fees and dues shall be settled directly between the employee and the Union. This Section 2.3(f) does not alter the effect of Section 2.2(a).

Section 2.3(g) VOLUNTARY UNION DEDUCTION The Employer shall deduct the sum specified from the pay of each member of the bargaining unit who voluntarily executes an OPEIU Local 8 PAC Check-Off Authorization form. A check payable to OPEIU Local 8 PAC for the amounts deducted and a roster of all bargaining unit employees using payroll deduction for voluntary contributions will be transmitted to the Union at the same intervals Union dues are submitted.

Upon issuance and transmission of this check to the Union, the Employer shall be held harmless from all claims, demands or other forms of liability that may arise against the Employer for or on account of any such deduction.

Section 2.3(h) HARDSHIP FUND The OPEIU Local 8 Hardship Fund provides assistance to Local 8 members experiencing an immediate, severe, and temporary financial situation due to an emergency. The Employer agrees to deduct the specific sum from the salary or any member of the bargaining unit who voluntarily executes an OPEIU Local 8 Hardship Fund Check-Off Authorization form. The Employer will remit these deductions to OPEIU Local 8 along with a list of bargaining unit employees' names and amounts deducted at the same time Union dues are submitted unless the total deduction is less than \$25.00, in which case the Employer will hold funds until a total of \$25.00 has been collected for the funds. The Union agrees to indemnify, defend and hold harmless Sea Mar Community Health Centers from and against any and all damages, claims, demands, suits, judgments or other forms of liability arising from the operation of this section.

Section 2.4 No present employee, who, prior to the date of this Agreement was receiving more than the rate of wages designated by this Agreement for the class of work in which they were engaged shall suffer a reduction in the rate of wages or vacation from the application of this Agreement.

ARTICLE 3

UNION ACTIVITY

Section 3.1 The Union shall inform the Employer in writing of the names and phone numbers of its officers, Union Representatives and stewards who represent the Union. Only those persons so designated will be accepted by the Employer as representatives of the Union.

Section 3.2 The Union Representative shall be allowed admission to the Employer's premises at any reasonable office hour, and the Union Representative will first make his or her presence known to the Employer.

Section 3.2(a) ACCESS TO INFORMATION If the Union Representative desires access to any records of the Employer for the purpose of investigating conditions related to this Agreement, the Union Representative shall first give the Employer reasonable notice of this desire. In no event shall the Union Representative or other representative of the Union have access to any individual personnel file unless written authorization is first given by the concerned employee to the appropriate administrative staff designated by the Employer.

Section 3.3 The Employer shall not discriminate in any way against any employee for Union activity, but such activity shall not be carried on during working time, except as specifically allowed by provisions of this Agreement.

Section 3.4 The Employer shall recognize the employee designated by the Union as the Union Steward. The Steward, upon notifying their supervisor, may investigate all employee complaints. Stewards are not paid by the Employer for time spent on Union activities except for reasonable time spent on grievance call to the Union office and meetings set by the Employer during work hours. Grievance calls shall be brief (no more than five [5] minutes) and shall not disrupt normal work or take precedence over client care. The steward shall be paid for time during meetings with the Employer in which they are representing a Union member in a grievance. Shop stewards (not including alternates) shall be deemed to have seniority over all other employees for the purposes of layoff and recall from layoff.

Section 3.5 UNION COMMUNICATION The Union shall be allowed the use of bulletin board space (or an acceptable substitute) in the Homecare office for the purpose of posting Union notices relating to general Union activity. Notices shall be given to the Vice President, Corporate Legal Affairs or their designee before posting.

The Employer will make available a computer terminal with internet access in the Homecare office for the use of employees during regular office hours. Aides may use the computer during their non-work hours or for accessing on line training or work related activities.

ARTICLE 4

MANAGEMENT OF EMPLOYER

The OPEIU recognizes the right of the Employer to operate and manage the Employer's facilities including, but not limited to, the right to establish and require fair standards of

performance, to maintain order and efficiency, to direct employees, to determine the materials and equipment to be used, to implement new or different operational methods and procedures, and to determine staffing levels; provided that, such rights shall not be exercised so as to violate this Agreement.

ARTICLE 5

EMPLOYMENT PRACTICES

Section 5.1 JOB POSTING Notice of all job vacancies within the bargaining unit shall be dated and posted for at least three (3) days excluding holidays and weekends on bulletin boards and on the Sea Mar website of the Employer located in the Homecare building before outside advertising and shall remain posted until the job is filled. Posted job descriptions shall be in writing using a standardized format that encourages protected class individuals to apply. During the three (3) day period, applications will be accepted from bargaining unit employees only. The Employer shall not be denied the right to fill positions with an individual from outside sources or other internal sources once the provisions of Section 5.1 have been fulfilled and management has determined the unit employees who have made application through the job posting procedure are not qualified for the position. The Employer is committed to upgrading and promoting current employees where appropriate. The Employer shall be the judge of employee qualification except that the Union may challenge the decision through the grievance procedure.

Section 5.2 The Employer will pay charges incident to the hiring of employees, which are incurred due to the requirements of the Employer. Excepted herein are: Union fees and dues; any government taxes or assessments which are levied against the employees; expenses related to obtaining appropriate educational or professional credentials, except those relating to bargaining unit jobs for which employees are originally hired; relocation costs incurred; or charges related to securing transportation, such as the acquisition of an automobile or personal auto insurance.

Section 5.3 The supervisor shall be responsible for a reasonable attempt to schedule client hours so as to maintain an employee's appropriate average hours, subject to consideration of geography, client needs and organizational needs. Nothing herein however creates any obligation of the Employer to find more client hours for any employee greater than the number of hours for which the Employer has hired the employee to work or for which the employee has requested, in writing, during the most recent quarter.

Section 5.3(a) SCHEDULE PREFERENCE At the time of hire, the employee shall designate on a written form provided by the Employer the employee's case preferences regarding the number of days of service per week, hours per day, day time versus night time hours (cases starting on or after 9:00 p.m.), temporary assignments and willingness to work on a sleep-in basis. No changes to the schedule may be made without two (2) weeks' written notice and may only be done once a quarter. The Employer shall make a good faith effort to schedule the employee's client hours pursuant to the employee's case preferences, along with consideration of client and organizational needs. However, where an employee was specifically hired to serve certain scheduling needs, such needs of the Employer shall be observed before consideration of the employee's case preference. Employees will be given as

much advance notice as possible when client needs necessitate a schedule change.

Section 5.4 PROBATIONARY PERIOD Regular full-time and regular part-time employees shall be hired on a probationary period for the first seventy-five (75) calendar days commencing from the effective date of employment. Termination or discipline during this period will not be subject to review by the Union.

Section 5.5 PROGRESSIVE DISCIPLINE The Employer shall use a uniform, progressive discipline system which shall include informal and formal counseling, written reprimands, performance improvement plans and/or suspensions and up to and including discharge. No employee shall be unjustly disciplined or discharged. Just cause for discipline or discharge may include, but is not limited to, those grounds stated in the Employer's Personnel Policies 100.16 and 100.17. Upon termination, an employee shall receive a written notice from the Employer stating the cause of termination. Employees shall be given an opportunity to read, sign and answer all letters of disciplinary actions before placement of such material into their personnel file. Disciplinary actions shall be issued in private. Supervisors should inform the employee that a disciplinary action is being given. Copies of these notices shall be given to the employee at the time formal disciplinary action is taken. The employee shall be requested to sign the written disciplinary action. The employee's signature thereon shall not be construed as admission of guilt or concurrence with the reprimand, but rather shall be requested as an indication that they have seen and comprehend the gravity of the disciplinary action taken. Employees shall have the right to review and comment on letters of warning in their personnel file. Upon request by the employee, the Union will be notified of all warning letters. If an employee is not afforded the rights provided in this Section, such written disciplinary notice shall not be used against the employee in any future disciplinary action. A warning notice shall be deemed too old for purposes of progressive disciplinary actions after twenty-four (24) months from the date that such notice is placed in an employee's personnel file.

Section 5.5(a) The Union and the Employer recognize that certain conduct by employees may warrant immediate termination without resort to progressive discipline.

Section 5.6 PERSONNEL FILES An employee shall be given the opportunity to read, sign and attach a written response to any written warning or disciplinary notice placed in his or her personnel file. If an employee is not afforded the rights provided in this Section, such written disciplinary notice shall not be used against the employee in any future disciplinary action. A warning notice shall not be used in disciplinary actions after twenty-four (24) months from the date such notice is placed in an employee's personnel file.

Section 5.6(a) An employee may examine his or her personnel file during normal business hours with twenty-four (24) hours advance notice given to the Employer.

Section 5.7 NOTICE OF TERMINATION A two (2) week notice of termination or two (2) weeks' pay in lieu thereof shall be given in releasing a regular employee from employment. Two (2) weeks' notice will be given whenever possible. However, no advance notice need be given in the case of just cause for immediate termination as specified in Personnel Policy 100.16, item #3.

Section 5.8 PROMOTIONS Promotions shall be made on the basis of seniority,

qualifications, client needs and valid business reasons. In the event that two or more employees have the same relative qualifications based on the needs of the position, preference shall be given to the employee with the greatest seniority. An employee promoted to a higher position shall be placed at the same increment step in the new position as that held by the employee in his or her former position and receive such pay rate immediately. A promoted employee shall be placed on a probationary period of seventy-five (75) days for the promotion. In the event the employee does not successfully pass the probationary period, the employee shall be returned to his or her former position at his or her former pay prior to promotion without any loss of seniority.

Section 5.9 EMPLOYER POLICIES To the extent that the Employer's regularly adopted Personnel Policies are not in conflict with this Agreement, such Personnel Policies will be the working policies governing employees. Where a conflict exists, this Agreement shall prevail unless otherwise agreed to by the Union. If the Employer wishes to establish new personnel policies or to change existing personnel policies during the term of this Agreement, the Employer shall provide such new policies or changes to policies to the Union Representative fourteen (14) days prior to the effective date of such new policies or changes; however, if any new or changed personnel policy is adopted for immediate implementation, then the Employer shall provide notice of such new or changed policy as soon as practicable. The Union shall retain the right to grieve policy changes which are in violation of this Agreement or which are detrimental to employees covered by this Agreement.

Section 5.10 PERFORMANCE EVALUATIONS Each employee shall receive a written performance evaluation within two (2) weeks of the end of the probationary period and annually during the month of January for the previous calendar year. It is the responsibility of the Supervisor to review the appraisal with the employee. The employee shall be given the opportunity to read the evaluation and attach his or her own comments within three (3) working days before placement in the new personnel file. Employees will acknowledge such evaluation by signing the document; however, such signature will imply neither agreement nor disagreement with the evaluation. The employee will receive a copy of the evaluation prior to placement on file. Performance evaluations will be utilized to evaluate the performance of an employee but shall not be used as a means to disciplinary action.

ARTICLE 6

SENIORITY

Section 6.1 APPLICATIONS Seniority shall be calculated from their most recent date of hire. Seniority shall be observed in layoffs, recall, client assignment, assignment of overtime, additional hours, and vacation preference. Seniority shall also be observed along with consideration of client needs and valid business needs in transfers, client assignments and assignment of additional hours. When an employee is laid off, seniority shall continue for a period of twelve (12) months. For rehire, the employee must contact the Employer's office once a month to advise the Employer of the employee's availability for work. Upon rehire after a break in service which does not exceed ninety (90) days, an employee shall receive the rate of pay at the time of their separation from employment if the employee returns to the same job classification. Such rehired employee does not retain any prior seniority, but shall have all seniority rights determined by the most recent date of rehire. An employee transferring to the

Sea Mar Community Health Centers from an OPEIU represented position at Cannon House or Homecare will have their most recent date of hire recognized for purposes of seniority.

In the event two or more seniority dates are the same, the Employer shall be the judge of the employee best suited for the position except that the Union may challenge the decision through the grievance procedure.

Section 6.2 LOSS OF SENIORITY An employee shall lose his or her seniority rights for any of the following reasons: voluntary termination, discharge for cause, or failure to report from layoff within five (5) working days after notification to report back to work. Notification to report back to work shall be sent by registered mail, return receipt requested, to the employee's last known address.

Section 6.3 REHIRE FROM LAYOFF The Employer, upon rehiring, shall do so in the order of seniority. The last employee laid off shall be first rehired; provided that, such employee is qualified for the position for which the Employer is rehiring. Under no circumstances shall the Employer hire from the open market while employees on the recall list, qualified to perform the duties of the position, are ready, willing and able to be re-employed.

ARTICLE 7

EMPLOYEE CLASSIFICATION

Section 7.1 REGULAR EMPLOYEE A regular employee is one who has been in the employment of the Employer seventy-five (75) days.

Section 7.2 PROBATIONARY EMPLOYEE A probationary employee is one who has been employed less than seventy-five (75) days from the effective date of employment and shall not be covered by this Agreement.

Section 7.3 TEMPORARY EMPLOYEE A temporary employee is one who is hired for a defined period of time not to exceed four (4) months to meet the Employer's work force needs caused by a regular employee's use of leave time as provided for in Articles 8, 9 and 10 herein. Temporary employees shall be given consideration over new hires in application for permanent hours.

ARTICLE 8

PAID TIME OFF

Section 8.1 All regular employees shall earn paid time off at the following rate.

Section 8.1(a) 0 – 3 MONTHS SERVICE Employees shall earn paid time off at the rate of one (1) hour per forty (40) hours paid during each month.

Section 8.1(b) 3 MONTHS – 36 MONTHS SERVICE Employees shall earn paid time off at the rate of one (1) hour per thirty-four (34) hours paid during each month.

Section 8.1(c) 3 YEARS (37 MONTHS) OR MORE SERVICE Employees shall earn paid time off on the basis of two (2) hours per twenty-eight (28) hours paid each month.

Section 8.2 Paid time off may be used for any personal reasons, including personal business, illness of dependent family members and vacation. Paid time off may be used for doctor and dental appointments during regular working hours; provided that, leave for such an appointment is cleared with the immediate supervisor three (3) days in advance. The use of paid time off of one (1) to three (3) days must be cleared one week in advance, except in the case of emergency. The use of paid time off in excess of three (3) days must be cleared two weeks in advance. With supervisory approval, employees may make up lost hours rather than use paid time off if client availability permits within the same pay period. The employee may also use their accrued PTO to meet the compensated hour eligibility requirement for health insurance by timely completing and submitting a PTO request form by the end of the second pay period for the ensuing month's coverage.

Section 8.3 Paid time off shall be paid at the employee's regular hourly rate of pay for all hours accrued and approved as paid leave up to forty (40) hours per workweek.

Section 8.4 Paid time off shall be taken at a time mutually agreeable to the Employer and the employee. In no event shall cash be paid in lieu of time off, except in unusual circumstances which are mutually agreed to between the employee and the Employer. Upon termination, paid time off earned shall be paid.

Section 8.5 Senior employees shall be given preference in the selection of paid time off periods. An employee who splits his or her paid time off may exercise seniority rights for the initial paid time off period; however, subsequent selection shall be made after all employees have made their initial selection.

Section 8.6 Paid time off shall be paid to employees at the regular time and manner as the pay, which the employee would receive for their regularly scheduled pay period.

Section 8.7 Employees who take paid time off or leave of absence without pay for up to thirty (30) days shall continue to work with their previously assigned and scheduled clients upon return to work, when possible.

Section 8.8 PAID TIME OFF CARRY OVER Employees may not accrue more than 336 hours of unused paid time off at any time except the accrual shall be increased to 480 hours for those employees who are planning a maternity/paternity leave, provided that the Payroll Department is notified by the employee, in writing, when the employee or spouse or domestic partner becomes pregnant. The increased amount of PTO hours may be used only for maternity/paternity leaves. Any unused accrued paid time-off in excess of this limitation shall be forfeited, unless prior approval is given by the Executive Director for excess accruals based upon the Employer's needs.

Section 8.9 WAIVER OF SEATTLE MUNICIPAL CODE PROVISIONS The provisions of Seattle Municipal Code Chapter 14.16 (Paid Sick Time and Safe Time Ordinance) are waived.

ARTICLE 9

Section 9.2 Employees shall assume that they are not to work on these holidays unless specifically authorized by a supervisor to work on a holiday, but wherever possible the equivalent number of hours shall be scheduled during the month to maintain the employee's average monthly hours.

Section 9.3 PAY FOR AUTHORIZED WORK ON A HOLIDAY If an employee is required by a supervisor to work on a holiday defined in Section 9.1, they shall receive pay at the rate of one and one-half (1½) times the employee's regular rate of pay. If any employee works during a holiday without authorization, they will be paid at their regular rate.

Section 9.4 RECOGNITION OF ALTERNATE HOLIDAYS An employee may trade off any of the holidays granted in Section 9.1 for another recognized holiday that is more important to the employee's personal belief system; i.e., Yom Kippur, Easter, etc., by giving the Employer at least two (2) weeks' advance notice.

ARTICLE 10

LEAVE OF ABSENCE

The term "immediate family" includes husband, wife, mother, father, son, daughter, domestic partner, stepparents, stepchildren, sister, brother, grandchildren or grandparents and above

Domestic Partner is defined as an individual who will be identified by name; not be married to anyone, is eighteen (18) years of age or older and is not related by blood closer than would be by marriage in the State of Washington, they are each other's sole domestic partner and are responsible for each other's common welfare, share the same regular and permanent residence, have a close personal relationship and share basic living expenses incurred during the domestic partnership; on such form as designated by the agency. Bereavement Leave will be pro-rated based on hours worked for the last quarter.

Section 10.1(b) For the bereavement leave period, the employee shall receive pay in the amount which the employee would have earned had they worked during the period at their regular rate of pay on their regularly assigned shift.

Section 10.2 LEAVE WITHOUT PAY Employees are eligible for three (3) types of leave: medical, personal and family. Such leaves of absence may be extended by the Employer on a monthly basis. The continuous employment and seniority status of an employee shall not be affected or interrupted as a result of leaves of absence described in this Article; provided that, seniority or benefits shall not accrue during unpaid leaves of absence.

Section 10.2(a) MEDICAL LEAVES OF ABSENCE Employees will be granted a medical leave of absence for the actual period of a medically related disability. Employees will be allowed to return to work with the same rate of pay, including contractual and step increases. Employees must maintain their medical coverage at their own expense during their leave unless the leave is covered by the Family Medical Leave Act, in which case coverage shall be maintained at the same level and conditions of coverage that would have been provided had the employee not taken leave, with payments for coverage to remain the same prior to the employee taking leave.

Section 10.2(b) PERSONAL LEAVE OF ABSENCE Employees may be authorized to take an unpaid leave of absence for personal reasons; provided that, the leave is requested in advance and approved by the supervisor. Personal leaves cannot exceed six (6) months. - (3) Care for a spouse, domestic partner, parent, parent-in-law, or grandparent of the employee who has a serious health condition or an emergency condition; or
- (4) Employee's own serious illness.

Employees who have met all the conditions for the leave are guaranteed reinstatement to the same or equivalent job at the same rate of pay, with no loss or gain of seniority. During the period of family leave, the Employer shall continue to provide the same medical benefits for up to three (3) months to an employee who is receiving such benefits at the beginning of his or her leave. An employee may use accrued PTO pay for which the employee is eligible during family leave. Employees will use accrued PTO until their bank reaches forty (40) hours at which time they may elect to take leave without pay for the remainder of the leave for which the employee is eligible. Following the initial three (3) months of leave, the Employer will discontinue paying for the employee's health benefits and the employee shall make arrangements for self pay of health insurance or the insurance will lapse. There shall be no accrual of other benefits, including paid time off, during leave.

Employees on a medical leave of absence that does not exceed twelve (12) weeks or approved vacation that does not exceed fifteen (15) working days shall not have the days used for such leave included in the quarterly average used to determine medical benefits.

Where applicable the Employer shall comply with the Federal Family Medical Leave Act, Washington Family Care Act, the Washington Family Leave Act and WA State Paid Family and Medical Leave, Leave for Victims of Domestic Violence, Sexual Assault & Stalking, absence covered by Leave for Spouses of Deployed Military personnel; absence covered by Leave for Certain Emergency Services Personnel as they may from time to time be amended.

Section 10.3 JURY DUTY PAY After the first calendar year of employment, employees who are regularly employed who are called for service on a State Superior Court or a Federal District Court jury may choose to use earned vacation time to replace earnings for hours normally scheduled for days on which they serve on a jury. In order to be eligible for such payments, the employee must furnish a written statement from the appropriate public official showing the date and time served.

Section 10.4 UNION LEAVE A leave of absence without pay shall be granted upon request of any employee on the active payroll, in case they are appointed or selected to a full-time Union position for the period necessary to fill such position. If the leave is granted to accept a full-time position with the Union, reinstatement will be made to his or her former position; provided that, an appropriate job opening exists. The continuous employment and seniority status of the employee shall not be affected or interrupted as a result of such leave; provided that, seniority shall not accrue during such leave of absence.

ARTICLE 11

SYSTEM OR REGULATIONS CHANGES AND TRAINING

Section 11.1 In cases where positions are abolished because of regulation changes, the Employer shall make reasonable good faith efforts to transfer employees to comparable jobs, provided the employees are qualified for such jobs and provided that such jobs are available. If

the Employer's resources for the Home Care Program permit, the Employer shall give consideration to providing reasonable training to present employees to perform new duties or a higher level of skills required by regulations changes.

Section 11.2 In the event changes in laws or regulations create new jobs, those jobs will be offered to employees within the collective bargaining unit with appropriate consideration for employee qualifications and seniority. However, the Employer shall not be precluded from simultaneously recruiting from the open market. Where a present employee and an outside applicant have relatively equal qualifications for the job, preference shall be given to the present employee. Where two present employees are equally qualified for the job, preference shall be given to the senior employee.

Section 11.3 TRAINING In the event training programs are necessary for employees to qualify for jobs created as a result of regulations changes, the Employer shall make reasonable accommodations to permit employees to obtain such training. If the Employer's resources for the Homecare Program permit, the Employer shall make a good faith effort to provide such training to employees to the extent as is reasonable. Employees to be displaced will be given first opportunity, within a reasonable time under the circumstances, to qualify for the new positions before any persons outside the bargaining unit are hired to fill the resultant jobs.

Section 11.3(a) The Employer shall pay its employees for time spent in Employer-required in-service training sessions. In-service training sessions are training sessions for the employee's current job position. Employees who wish to upgrade their skills for higher classification may attend training sessions without pay; provided that, slots are available.

Section 11.4 EDUCATION AND TRAINING COMMITTEE A committee not to exceed four (4) members comprised of an equal number of representatives appointed by the Employer and the Union, shall meet at mutually convenient times and places to consider and discuss procedures for the education, training and advancement of employees. The committee shall be advisory.

Recognizing our mutual commitment to development of a workforce capable of meeting the increasingly acute needs of the people served by home care, and our encouragement of the development of human potential, the Employer will contribute to a fund for training and skills upgrading, known as the Training Partnership, pursuant to RCW 74.39A.009 (23) and 74.39A.360. The Training Partnership will possess the capacity to provide training, peer mentoring, workforce development, and other services to home care aides. The Employer shall become and remain a participating employer in such a Partnership during the complete life of the underlying CBA with OPEIU, Local 8, and any extension thereof.

The parties agree that there has been established a "certification benefit" for the exclusive purpose of defraying the initial costs of certification and testing fees required by the Department of Health (DOH) or their testing agent for bargaining unit members to remain qualified to provide in-home care services. This benefit shall also be administered by the Training Partnership.

The Employer shall contribute the amount provided by the state to the Training Partnership for each hour a participating employee provides services to a client in the Employer's in-home care program, including but not limited to, Medicaid or private pay funded services. The Employer is only required to make these contributions to the extent that the funds specified for this purpose are provided in the vendor rate from the state of Washington as well as the amount provided by the state per hour for all Private Pay clients.

The hourly contribution to the Training Partnership for training and certification and testing fees shall be no less than the hourly training and certification contribution rate to the Partnership established by the State of Washington pursuant to the Individual Provider Collective Bargaining Agreement in effect at the time the hours are worked. (Hereinafter the "Training Partnership Rate").

A. Medicaid-Funded Hours Worked

The Employer shall contribute the Training Partnership Rate to the Partnership for each Medicaid-Funded Hour worked. Medicaid-Funded Hour(s) worked shall be defined as all hours worked by all employees covered by this Agreement in the Employer's in-home care program that are paid by Medicaid, excluding vacation hours, paid-time-off, and training hours. Consumer participation and other non-billable hours shall also be excluded for contribution purposes.

The Employer shall contribute the Training Partnership Rate then in effect to the Partnership for each Medicaid-Funded Hour worked.

The Employer agrees that all funds received by the Employer for purposes of training and certification will be provided to the Partnership.

B. Non-Medicaid-Funded Hours Worked

The Employer shall contribute the Training Partnership Rate to the Partnership for each Non-Medicaid-Funded Hour worked. Non-Medicaid-Funded Hour(s) worked shall be defined as all hours worked by all employees covered by this Agreement in the Employer's in-home care program that are paid by a payor other than Medicaid, excluding vacation hours, paid-time-off, and training hours. Non-billable hours shall also be excluded for contribution purposes.

The Employer shall contribute the Training Partnership Rate to the Partnership for each Non-Medicaid-Funded Hour worked in the Employer's in-home care program.

Contributions under this provision shall be paid periodically as required by the Trust.

Monthly contributions required by this provision shall be paid to the Partnership on or before the twenty-fifth (25th) day of the month following the month of service for which contributions are owed or before such other date as the Trustees of the Partnership may hereafter determine. Contributions shall be transmitted together with a remittance report containing such information, in such manner, and on such form as may be required by the Partnership or its designee.

If either situation occurs during a time the Homecare office is closed, including before and after regular business hours, the employee will report the situation by phone message to their supervisor via Sea Mar's answering system or by paging the supervisor on-call.

When additional hours have been worked under these circumstances, the supervisor may reallocate the client's hours over the remainder of the week or month in an effort to avoid overtime and over-provision of authorized client hours.

When skills, abilities and job performance are equal, preference shall be given to extending the hours of current employees over hiring new employees. A list of employees who request additional hours shall be maintained and updated on a quarterly basis. Senior employees shall be given preference where more than one employee is available and qualified for additional hours. Supervisors shall notify the employee of new clients or new client hours as soon as practical.

During such proceedings, there shall be no cessation of work except for just cause.

Section 21.4(b) In the event that the Union and the Employer can not agree upon the selection of the arbitrator fifteen (15) days from the date of either party's request for arbitration under Section 21.4, an arbitrator shall be selected as follows: The moving party shall request and pay American Arbitration Association (AAA) to name a panel of eleven (11) Northwest arbitrators. The parties shall then choose the arbitrator by alternately striking a name from the list until one name remains, with the moving party striking the first name. By mutual agreement, the matter may be referred to AAA Expedited Arbitration.

Section 21.4(c) The arbitrator selected shall be authorized to rule and issue a decision and award, in writing, on any issue presented for arbitration, including the question of the arbitrability of such issue. The arbitrator's award shall be final and binding upon both parties. The arbitrator shall have authority to interpret the terms of the Agreement but shall not have authority to function outside of the terms of this Agreement, to decide any issue not submitted or to interpret or apply the Agreement so as to change the intent of the parties. The arbitrator shall not give any decision which modifies, revises, detracts from or adds to any of the terms or provisions of this Agreement.

The arbitrator shall schedule a hearing forty-five (45) days after the arbitrator has been selected; however, the parties may extend the period as mutually agreed. Briefs by both parties shall be submitted within thirty (30) days of the arbitration hearing. The arbitrator shall render their decision within thirty (30) days after the final briefs are submitted to the arbitrator by both parties. The arbitrator's award shall also include assessment of the arbitrator's fee against the losing party. Where there is no clear prevailing and losing party, the arbitrator shall have discretion to assess the arbitrator's fees to the parties as may be considered fair by the arbitrator. All other expenses, including attorney fees, shall be borne by the party incurring them.

Section 21.4(d) The Employer and the Union shall make available to the other upon request such pertinent data as is necessary for the examination of all circumstances surrounding a grievance, and the arbitrator shall be empowered to effect compliance with this provision by requiring the production of documents and other evidence. In all events, appropriate precautions shall be taken to preserve the anonymity of the client or other employees.

In the event that pertinent information includes confidential material such as patient records, medical records or personnel files, the parties will preserve the privacy of the client or employee to the extent consistent with federal, state and local laws and the necessity of resolving the merits of the case; and further, provided that, attorney/representation communications are not subject to disclosure absent the party's consent. The Union/Employer shall not disclose to any third parties outside of the grievance procedure any confidential

client/employee information. Appropriate precautions shall be taken to preserve the anonymity of the client and employees.

Section 21.4(e) In the event either party fails to deliver to the other a signed consent to submit a disputed issue to arbitration within ninety-six (96) hours after receipt of a request from the other to submit such disputed issue to arbitration, such other party shall have the right to proceed in the courts or other appropriate action, to compel the other to submit to arbitration. Strike or work stoppage shall not be appropriate under this provision.

Section 21.5 The grievance procedure stated herein will terminate at the Step in which either the Union withdraws the grievance on behalf of the employee or the grievance has been resolved. When a grievance is withdrawn, the Employer shall be notified in writing with a copy given to the employee.

ARTICLE 22

PICKET LINES

It is further understood and agreed that refusal by any employee to go through a bona fide picket line shall not constitute a violation of this Agreement, nor shall such refusal by an employee be cause for discharge or disciplinary action of any kind; EXCEPT where service of a client's needs requires the crossing of a picket line and such picket line is not one imposed directly against the Employer.

ARTICLE 23

LABOR/MANAGEMENT COOPERATION

In the common interests of (a) improving the conditions, compensation and benefits of employees, and (b) the ability of the Employer to recruit and retain good employees, the Union and the Employer shall work in cooperation to increase funding from federal, state and local government bodies and other available funding sources.

ARTICLE 24

STRIKES AND LOCKOUTS

The Union agrees that during the term of this Agreement, and regardless of whether an unfair labor practice is alleged, there will be no strike, sit down or walkout by the Union and the employees. Any employee who violates this clause shall be subject to discipline. The Employer agrees that during the term of this Agreement, there will be no lockout of employees. Any claim by either party that the other party has violated this Article 24 shall not be subject to the grievance procedure or arbitration provisions of this Agreement, and either party shall have the right to submit such claims to the courts.

ARTICLE 25

TERMINATION AND RENEWAL

This Agreement shall be in full effect until August 31, 2023, and shall continue in effect from year to year thereafter unless either party gives notice in writing, at least sixty (60) days prior to any expiration or modification date of its desire to terminate or modify such Agreement; provided that, in the event that the Union serves written notice in accordance with this Article 25, any strike or stoppage of work after any expiration date shall not be deemed in violation of any provision of this Agreement.

COVID-19 Vaccination Mandate

The Sea Mar Community Health Centers, hereinafter referred to as the "Employer," and the Office and Professional Employees International Union Local 8, hereinafter referred to as the "Union," agree to the following terms and conditions as the Employer implements the Vaccination Mandate:

1. All bargaining unit employees will comply with the requirement to receive a COVID-19 vaccine and be fully vaccinated by October 18, 2021. Employees will follow the medical and religious exemption process in order to be exempted from the vaccination requirement:
 - a.) Employees will submit a written description of the medical reason(s) they cannot receive the vaccine along with sufficient medical documentation for the Employer to determine the employee has a "disability" as defined by the Americans with Disabilities Act (ADA) and be exempt from the vaccination mandate.
 - b.) In accordance with Title VII of the Civil Rights Act, an employee may submit a written explanation of their sincerely held belief(s) that will qualify as a religious exemption from the vaccination mandate and provide a statement as to how the COVID vaccine requirement conflicts with your religious observance, practice or belief.
 - c.) Exemption requests must be submitted to the Employer no later than October 1, 2021, and the Employer will respond to all exemption requests by October 4, 2021.
 - d.) In the event a medical or religious exemption is not approved, employees will have ten (10) working days after denial to file a grievance per Article 22 of the Union Collective Bargaining Agreement. The Employer and the Union mutually agree these grievances will be expedited and start at Step 2 of the grievance procedure as defined in the CBA.
 - e.) Employees who are not approved for exemption or who are not fully vaccinated by October 18, 2021, may request a leave of absence until they are approved for exemption or become fully vaccinated against COVID-19. This process must be completed by November 30, 2021. Employees may use their accrued time off or take time unpaid for such leave.

- f.) The Employer will provide a temporary extension for employees who are in the vaccination process but not fully vaccinated by October 18, 2021. To be approved for the extension staff must have received at least one dose of Pfizer or Moderna or the single dose of the J&J vaccine no later than October 18, 2021, and must provide their vaccination information to HR to avoid being separated from employment.
2. Employees on an approved leave of absence for any reason as of October 18, 2021, and who are unable or unwilling to become vaccinated by October 18, 2021, will not be subject to the requirement until they return from their leave of absence. Sea Mar will not grant any extended leaves based on the employee not being vaccinated. Employees returning from leave must comply with the vaccine requirement prior to returning to work by providing proof of completing their vaccine series two weeks before their return-to-work date.
3. An employee shall be released from work on paid time to receive a COVID-19 vaccination at the Sea Mar clinic nearest their workplace or may use PTO to go to an outside provider to receive a vaccine. There is no mileage reimbursement provided for receiving a vaccine.
4. Employer will allow any employee experiencing side effects after receiving any mandated COVID vaccine doses the choice of using PTO or unpaid leave to recover. PTO shall be used for partial day absences for salaried employees only if the total missed work time is one (1) hour or greater. As of the date this LOU was signed, COVID boosters are not mandated and not covered by this clause, however they will be covered if/when they become mandated.
5. No employee will be disciplined or discharged for taking time off due to suffering side effects from receiving the mandated COVID-19 vaccine dose(s).
6. The Employer will send out a communication to all bargaining unit employees including the COVID-19 vaccine mandate policy and the process for requesting a medical or religious exemption. On-call employees, Home Care Aides, and employees on leaves of absence will receive a USPS mail communication with the above information.
7. At no time will the Employer directly or indirectly tolerate any form of discrimination and/or intimidation of any kind as a result of a member exercising their right to request an exemption from receiving the COVID-19 vaccination.
8. If an employee does not adhere to the vaccination mandate or does not have an approved exemption, according to the state mandate they cannot work and they will be separated from employment. The reason for separation will be classified as a non-disciplinary discharge because the employee did not comply with state mandate to be vaccinated. The employee will be entitled to full payment of all accruals and does not need to provide two weeks' notice.
9. Terminated employees shall be marked as eligible for rehire on separation paperwork. Before being rehired, employee will need to provide documentation of completing their

vaccination series two weeks before hire date or receive an approved exemption from Sea Mar Administration. Terminated employees are not guaranteed a position.

10. For the duration of the COVID-19 pandemic, all employees who have been exempted from receiving the COVID-19 vaccine, shall be required to wear a mask at all times while on Sea Mar properties or when providing services in public areas and are in close physical proximity, with clients, patients, community members, visitors or co-workers, even if/when mask mandates are lifted, shall be subject to daily screening for symptoms, and will be tested, both rapid and PCR, weekly at the Employer's expense and on work time if the test is done at a Sea Mar facility.

11. Except as outlined in this letter, this Letter of Understanding does not alter any other portion of the current Collective Bargaining Agreement between the Employer and the Union and sets no precedence.
