PREAMBLE

WHEREAS the parties desire to cooperate in establishing conditions which will tend to secure for the employees concerned wages and a fair and reasonable conditions of employment, and to provide methods of fair and peaceful adjustments of all disputes which may arise between them so as to secure uninterrupted operations of the Employer, the Employer and Union agree to treat each other with mutual respect.

ARTICLE 1

RECOGNITION OF THE UNION

The Employer recognizes the Union as the sole and exclusive collective bargaining agent with respect to rates of pay, hours and all other terms and conditions of employment for the bargaining unit of all employees employed by Sea Mar Community Health Centers; excluding managers, confidential employees, guards, contracted employees, temporary employees and supervisors as defined in the Act. Contracted employees include the Employer's independently licensed professional staff of physicians, dentists, nurse practitioners, physician assistants, psychiatrists, psychologists, optometrists, and pharmacists. The accounting staff are classified as confidential employees. "Employees" and "employee" hereinafter shall refer only to employees within the bargaining unit, unless otherwise indicated.

ARTICLE 2

UNION MEMBERSHIP

Section 2.1 MEMBERSHIP The Employer agrees that all regular employees covered under this Agreement pursuant to Article 1 shall, as a condition of employment, thirty-one (31) days from the effective date of this Agreement, become and remain members of the Union in good standing. On-call/per diem employees shall become members as specified in Section 7.3.

The Employer further agrees that all new regular employees hired subsequent to the effective date of this Agreement shall, as a condition of employment, thirty-one (31) days from the initial work date become and remain members of the Union in good standing. On-call/per diem employees shall become members as specified in Section 7.3. Any employee who chooses to waive rights to participate as a Union member may satisfy the Union security obligation by payment to the Union of the

equivalent of the periodic dues and initiation fees uniformly required of members or the periodic dues and initiation fees related to the Union's representational costs, fair share fees. If the employee is a member of a church or religious body whose bona fide religious tenets forbid said employee to be a member of a labor union, such employee shall pay an amount of money equivalent to the regular Union dues and initiation fees to a non-religious charity mutually agreed upon by the employee and the Union. The Union shall notify the Employer in writing that an employee has failed to satisfy the terms of this provision and shall provide the Employer with a copy of the final warning to the affected employee that he or she has not satisfied the obligations of this provision. In the event the employee fails or refuses to tender the amount on which he or she is delinguent within ten (10) calendar days of receipt by the Employer of such notice, the Employer shall discharge said employee. The aforementioned time periods may be extended by mutual agreement of the Employer and the Union.

<u>Section 2.2 DUES CHECK-OFF</u> Upon receipt of a written check-off authorization card voluntarily signed by an employee, the Employer shall make periodic deductions from the wages of such employees and remit the same to the Union for payment of current regular dues and initiation fees in accordance with the below stated provisions.

Section 2.2(a) The Employer's hiring supervisor will provide an OPEIU Local 8 Membership Application/Payroll Deduction Authorization card to all newly hired employees and collect the completed and signed OPEIU Local 8 Membership Application/Payroll Deduction Authorization cards and include it as part of the new hire packet. The Employer will transmit a copy of the completed OPEIU Local 8 Membership Application/Payroll Deduction Authorization card to the Union office within 14 calendar days of the employee's date of hire.

Section 2.2(b) The Employer shall deduct current regular monthly dues and Union initiation fees, one-half from the first paycheck and one-half from the second paycheck of each month beginning thirty-one (31) days after the employee's initial work date and remit such fees to the Union within twenty (20) days of the end of that month.

Section 2.2(c) The Employer shall supply to the Union monthly a list of all employees covered by this Agreement including their classification, department, work-site, rate of pay, hours worked, FTE status, starting date, date of birth and shift. Each month the Employer shall also send a list of new hires for the previous month, their addresses, telephone numbers, classifications, rates of pay, date of birth and dates of hire. The Employer will also send a list of bargaining unit employees who have terminated during the month, including name, reason for termination and effective date of termination.

<u>Section 2.2(d)</u> The Union shall indemnify and hold Employer harmless from any claims from employees regarding any Employer action appropriate to carrying out the provisions of this Article 2. Any claims for overpayment or underpayment of Union initiation fees and dues shall be settled directly between the employee and the Union. This Section 2.2(d) does not alter the requirements in Sections 2.1 and 2.2.

Section 2.2(e) VOLUNTARY UNION DEDUCTION The Employer shall deduct the sum specified from the pay of each member of the bargaining unit who voluntarily executes an OPEIU Local 8 PAC Check-Off Authorization form. A check payable to OPEIU Local 8 PAC for the amounts deducted and a roster of all bargaining unit employees using payroll deduction for voluntary contributions will be transmitted to the Union at the same intervals Union dues are submitted.

Upon issuance and transmission of this check to the Union, the Employer shall be held harmless from all claims, demands or other forms of liability that may arise against the Employer for or on account of any such deduction.

Section 2.2(f) HARDSHIP FUND

The OPEIU Local 8 Hardship Fund provides assistance to Local 8 members experiencing an immediate, severe, and temporary financial situation due to an emergency. The Employer agrees to deduct the specific sum from the salary or any member of the bargaining unit who voluntarily executes an OPEIU Local 8 Hardship Fund Check-Off Authorization form. The Employer will remit these deductions to OPEIU Local 8 along with a list of bargaining unit employees' names and amounts deducted at the same time Union dues are submitted unless the total deduction is less than \$25.00, in which case the Employer will hold funds until a total of \$25.00 has been collected for the funds. The Union agrees to indemnify, defend and hold harmless Sea Mar Community Health Centers from and against any and all damages, claims, demands, suits, judgments or other forms of liability arising from the operation of this section.

Section 2.3 PRESENT CONDITIONS No present employee who prior to the date of this Agreement was receiving more than the rate of wages designated by this Agreement for the class of work in which he or she was engaged shall suffer a reduction in the rate of wages or other benefits from the application of this Agreement. Provided, however, where premium amounts are based upon special work assignments or performance, these premiums above the contractual amounts may be reduced should the employee's special assignment/performance be the reason for the reduction.

ARTICLE 3

UNION ACTIVITY

Section 3.1 UNION STEWARDS AND REPRESENTATIVES The Union shall inform the Employer in writing of the names and phone numbers of its officers, Union Representatives and stewards who represent the Union. Only those persons so designated will be accepted by the Employer as representatives of the Union.

Section 3.2 UNION REPRESENTATIVES The Union Representative shall be allowed admission to the Employer's premises at any reasonable office hour, and the Union Representative will first make their presence known to the Clinic/Program Manager or their designee. The Union Representative shall meet in areas which will not interfere with patient care or work being performed by staff and which will not compromise the confidentiality of patient information.

<u>Section 3.2(a) ACCESS TO INFORMATION</u> If the Union Representative desires access to any records of the Employer for the purpose of investigating conditions related to this Agreement, the Union Representative shall first give the Department Head or their designee reasonable notice of this desire. In no event shall the Union Representative or other representative of the Union have access to any Client Records, unless written authorization is first given by the client or client representative, to the appropriate administrative staff designated by the Clinic/Program Manager or their designee. In such cases, the parties will discuss appropriate confidentiality measures. Nothing herein shall be construed in a manner that would prevent the Union from executing its statutory Duty of Fair Representation. Nothing herein shall be construed in a manner that would prevent the Employer from complying with its statutory obligations, including those under the Health Insurance Portability and Accountability Act. The Union and Employer agree that any information including witness statements, legal theory, precedent or other matters to be introduced at arbitration shall be disclosed to the other party no later than five (5) working days prior to any arbitration hearing and if not so disclosed shall be barred from introduction at any arbitration hearing.

<u>Section 3.3 UNION STEWARDS</u> The Employer shall recognize the employee designated by the Union as the Union Steward. The Steward, upon notifying their supervisor, may investigate all employee complaints. Stewards are not paid by the Employer for time spent on Union activity except for reasonable time spent on grievance calls to the Union office and meetings set by the Employer during work hours. Grievance calls shall be brief and shall not disrupt normal work or take precedence over client care. The Steward shall be paid for time representing members in grievances and Weingarten meetings called by management during the

Steward's work time.

<u>Section 3.4 UNION COMMUNICATION</u> The Union shall be allowed the use of bulletin board space in the employee lounge or other common area of each Sea Mar Medical Center or other facility for the purpose of posting Union notices relating to general Union activity. Notices shall be given to the Vice President, Corporate Legal Affairs or their designee before posting.

<u>Section 3.5 NEW EMPLOYEE ORIENTATION</u> The Union will be allowed fifteen (15) minutes, prior to lunch, to meet with new employees during each new employee orientation. The Employer will provide a list to the Union via electronic mail of new bargaining unit employees including their name, date of hire, employment status and work location, three (3) working days before orientation.

ARTICLE 4

MANAGEMENT OF EMPLOYER

The OPEIU recognizes the right of the Employer to operate and manage the Employer's facilities including, but not limited to, the right to establish and require fair, uniform standards of performance, to maintain order and efficiency, to direct employees, to determine the materials and equipment to be used, to implement new or different operational methods and procedures, and to determine staffing levels; provided that, such rights shall not be exercised so as to contravene or nullify any specific provisions of this Agreement or the law. Management retains all of its inherent rights except as specifically restricted by this Agreement.

ARTICLE 5

EMPLOYMENT PRACTICES

Section 5.1 JOB POSTING Notice of all job vacancies within the bargaining unit shall be dated and posted for at least three (3) days excluding holidays and weekends on bulletin boards and on the Sea Mar website of the Employer located in each Sea Mar Medical Center or other facility before outside advertising and shall remain posted until the job is filled. Posted job descriptions shall be in writing using a standardized format that encourages protected class individuals to apply. During the three (3) day period, applications will be accepted from bargaining unit employees only. The Employer shall not be denied the right to fill positions with an individual from outside sources or other internal sources once the provisions of Section 5.1 have been fulfilled and management has determined the unit employees who have made application through the job posting procedure are not qualified for the position. The Employer is

committed to upgrading and promoting current employees where appropriate. The Employer shall be the judge of employee qualification except that the Union may challenge the decision through the grievance procedure.

Section 5.1(a) REJECTED APPLICANTS A bargaining unit employee who applies for a position and is not selected for an interview, or is selected for an interview but not hired for the position, will be notified by the Employer the reason the employee was not selected.

<u>Section 5.1(b) ACCEPTED APPLICANTS</u> A bargaining unit employee, including any newly hired employee, who applies for and accepts a position in the bargaining unit will receive a copy of their payroll authorization by email that includes the date the hire/transfer was approved, job title, work location, FTE, and rate of pay.

Section 5.1(c) TRANSFERS While every attempt will be made to transfer an employee who accepts a new position at the end of the two (2) week notice period, a bargaining unit employee who accepts a new position shall be transferred no later than within four (4) weeks of accepting the new position. In some cases, there may be a critical need for the employee to stay in their position until it is filled. In these cases, the Executive Vice President or their designee will make the decision as to whether or not the four weeks must be extended. If the rate of pay for the new position is higher than the employee's current rate, the employee will receive their new rate of pay at the end of their two (2) week notice period, regardless of whether or not they have transferred to the new position.

<u>Section 5.2 INCIDENT CHARGES</u> The Employer will pay charges incident to the hiring of employees which are incurred due to the requirements of the Employer. Excepted herein are: Union fees and dues, expenses related to obtaining appropriate educational or professional credentials relating to bargaining unit jobs for which employees are hired; relocation costs incurred; or the acquisition of an automobile or personal auto insurance.

Section 5.3 SCHEDULE PREFERENCE At the time of hire, the employee shall designate on a written form provided by the Employer the employee's preferences regarding the number of days of service per week, hours per day, day time versus night time hours and temporary assignments. Except in case of emergency no changes to the schedule may be made without two (2) weeks' written notice and may only be done once a quarter. The Employer retains the right to make changes to the employee's schedule as necessary in cases of emergency. The Union acknowledges the Employer's particular concern with departments such as maintenance and those requiring minimum staffing. It is understood that the nature of the work sometimes necessitates changes in the

schedule with less than two (2) weeks' advance notice, or a schedule change may be necessitated to cover call-ins, leaves or vacant positions. While the work required may not necessarily be an "emergency," it may be necessary in order to maintain the health and safety of clients or staff, as may be in the examples of graffiti on the walls of the Child Development Center that must be removed or facility that needs structural changes. In these types of situations, changes in schedules may be made without the two-week advance notice, providing that other applicable contract provisions such as Article 6 (Seniority) are observed. In filling vacancies, the Employer shall make a good faith effort to schedule the employee's hours pursuant to the employee's seniority and schedule preferences, along with consideration of client and organizational needs. However, where an employee was specifically hired to serve certain scheduling needs, such needs of the Employer shall be observed before consideration of the employee's schedule preference.

Section 5.4 PROGRESSIVE DISCIPLINE The Employer shall use a uniform, progressive discipline system, which shall include informal and formal counselings, written reprimands, performance improvement plans and/or suspensions and up to and including discharge. No employee shall be unjustly disciplined or discharged. Just cause for discipline or discharge may include, but is not limited to, those grounds stated in the Employer's Personnel Policies 100.16 and 100.17. Upon termination, an employee shall receive a written notice from the Employer stating the cause of termination. Employees shall be given an opportunity to read, sign and answer all letters of disciplinary actions before placement of such material into their personnel file. Disciplinary actions shall be issued in private. Supervisors should inform the employee that a disciplinary action is being given. Copies of these notices shall be given to the employee at the time formal disciplinary action is taken. The employee shall be requested to sign the written disciplinary action. The employee's signature thereon shall not be construed as admission of guilt or concurrence with the reprimand, but rather shall be requested as an indication that they have seen and comprehend the gravity of the disciplinary action taken. Employees shall have the right to review and comment on letters of warning in their personnel file. Upon request by the employee, the Union will be notified of all warning letters. If an employee is not afforded the rights provided in this Section, such written disciplinary notice shall not be used against the employee in any future disciplinary action. A warning notice shall be deemed too old for purposes of progressive disciplinary actions after twenty-four (24) months from the date that such notice is placed in an employee's personnel file.

<u>Section 5.4(a)</u> The Union and the Employer recognize that certain conduct by employees may warrant immediate suspension or termination without resort to progressive discipline. The principles of just cause and the grievance procedure shall apply at all levels of discipline for

employees who have completed their probationary period.

<u>Section 5.5 PERSONNEL FILES</u> An employee may examine their personnel file during normal business hours with forty-eight (48) hours advance notice given to the Employer. Such requests are limited to a reasonable frequency and reasonable times, affording supervision of the examination.

<u>Section 5.6 EMPLOYEE RIGHTS</u> An employee, regardless of probationary status and in accordance with Weingarten Rights, may have a Union Representative or Shop Steward present at any meeting with management representatives which involves discipline or where an employee reasonably believes an investigation will result in disciplinary action. If the employee desires Union representation at such a meeting, the employee shall notify the Employer at that time and shall be provided reasonable time to arrange for Union representation at the meeting.

Section 5.7 NOTICE OF TERMINATION A two (2) week notice of termination or two (2) weeks' pay in lieu thereof shall be given by the Employer in releasing a regular employee from employment. Two (2) weeks' notice will be given whenever possible. However, no advance notice or pay need be given in the case of just cause for immediate termination as specified in Section 5.5(a) or termination at the conclusion of progressive discipline. Employees are to give two (2) weeks' notice of resignation in writing. An employee's failure to submit a resignation in writing does not negate an employee's resignation given verbally. In such event, the employee's manager shall document the verbal resignation. Any notice less than two (2) weeks shall result in the employee's PTO cash out amount to be reduced by that amount, up to a maximum of two weeks, unless such reduction is waived by the department head and Deputy Director.

Section 5.8 PROMOTIONS Promotions shall be made on the basis of seniority, qualifications and business reasons. To be considered eligible for promotion and transfers, employees cannot be on probation or have received any written disciplinary action in the past six (6) months, unless otherwise agreed to by the Employer. In the event that two (2) or more employees have the same relative qualifications based on the needs of the position, preference shall be given to the employee with the greatest seniority. An employee promoted to a higher position shall be placed at the same increment step in the new position as that held by the employee in their former position and receive such pay rate immediately. A promoted employee shall be placed on a trial period for the first sixty (60) working days for full-time employees or ninety (90) calendar days for part-time employees after the promotion. In the event an employee does not successfully pass the trial period, the employee shall be returned to their former or similar vacant position at their former rate of pay prior to

promotion without any loss of seniority, if a position is available. If no such position is available, the employee shall be offered the opportunity to take any open positions for which the employee is qualified, but shall not be required to take a position outside the employee's work unit. If no job is available, the employee shall be placed on a recall list for a period of twelve (12) months, consistent with provisions of Section 6.6 of this Agreement, recognizing that the individual has not been laid-off nor are they on lay-off status. Individuals in this situation shall not be offered a vacant position unless no employee on layoff exercises recall options under that Section. The Employer shall be the judge of employee qualifications except that the Union may challenge the decision through the grievance procedure.

<u>Section 5.9 EMPLOYER POLICIES</u> To the extent that the Employer's regularly adopted Personnel Policies are not in conflict with this Agreement, such Personnel Policies will be the working policies governing employees. In case of any conflict, this Agreement shall be the controlling policy for the employees covered by this Agreement.

Section 5.10 PERFORMANCE EVALUATIONS Each employee shall receive a performance evaluation within two (2) weeks of the end of the probationary period and annually during the month of January for the previous calendar year. It is the responsibility of the Supervisor to review the appraisal with the employee. The employee shall be given the opportunity to read the evaluation and attach their own comments within three (3) working days before placement in their personnel file. Employees will acknowledge such evaluation by signing the document; however, such signature will imply neither agreement nor disagreement with the evaluation. The employee will receive a copy of the evaluation prior to placement on file. Performance Evaluations will be utilized to evaluate the performance of an employee but shall not be used as a means to disciplinary action.

ARTICLE 6

SENIORITY, LAYOFF, RECALL

Section 6.1 APPLICATIONS

(a) Seniority shall be calculated from the most recent date of employment. On-call/per diem employees will commence as defined in Section 7.3. On-call/per diem employees who are hired as regular employees will have their seniority based on the total hours worked as an on-call/per diem employee, relative to a full-time equivalent. Seniority shall be observed in promotions, layoffs, recall, transfers, shift changes, assignment of overtime, additional hours, and paid time off preference. Upon rehire after a break in

service which does not exceed ninety (90) days, an employee shall receive the rate of pay at the time of their separation from employment if the employee returns to the same or similar position. Such rehired employee does not retain any prior seniority, but shall have all seniority rights determined by the most recent date of rehire. However, the employee rehired within ninety (90) days from a break in service shall be placed in the pay step which the employee held immediately prior to the break in service, and shall continue to progress up the pay steps at the anniversary date of the most recent date of rehire if the employee returns to the same or similar position. Such employee's pay step shall carry over for purposes of promotions or other changes of positions. An employee transferring to the Sea Mar Community Health Centers from an OPEIU represented position at the Care Center, Cannon House or Homecare will have their most recent date of hire recognized for purposes of seniority.

In the event two or more seniority dates are the same, the Employer shall be the judge of the employee best suited for the position except that the Union may challenge the decision through the grievance procedure.

(b) Seniority Tie-Breaker for Affected Groups. This provision shall apply to employees who were employees of Lakewood Pediatric Associates or of Community Services Northwest immediately before becoming employees of Sea Mar, each group hereinafter referenced as the affected group. In the determination of seniority rights only between the employees within an affected group, the employees' original hire date at Lakewood Pediatric Associates or at Community Services Northwest shall apply. This provision does not apply to determine the seniority between an employee within an affected group and an employee outside the affected group.

Section 6.2 LOSS OF SENIORITY An employee shall lose their seniority rights for any of the following reasons: Voluntary termination, discharge for cause, failure to report availability to work during layoff or failure to report back to work after layoff within five (5) working days after notification to report back to work unless mutually agreed. Medical leave of absence up to twelve (12) months or inability to return to work due to an injury on the job at Sea Mar for up to one (1) year shall not cause loss of seniority. Seniority shall be maintained but not increased during such leave. Notification to report back to work shall be sent by certified mail, return receipt requested, to the employee's last known address. Attempted delivery by the U. S. Postal Service shall constitute delivery.

<u>Section 6.3 LAYOFF PROCEDURE</u> When a permanent or prolonged reduction in the number of employees in a classification/job title is required

in any work unit, the Employer will first seek volunteers. If there are an insufficient number of volunteers, layoffs will be made on the basis of least seniority, qualifications and business reasons. In determining whether to layoff a more senior employee over a less senior employee, the more senior employee will not be laid off solely because the employee may, in the Employer's judgment, require up to four (4) weeks orientation, which may include some skill enhancement. If a layoff results in the second least senior employee moving to another facility within a work unit and the employee does not choose to relocate, that employee shall be laid off instead of the least senior.

<u>Section 6.3(a)</u> Upon completion of their first year of employment, a laid off employee shall be entitled to a severance package consisting of outplacement time, and severance pay.

Employees shall be entitled to sixteen (16) hours of paid time to participate in any of the following outplacement activities during their thirty (30) day notice of layoff period:

- 1) Attend a State, County and/or mutually agreed upon job transition job counseling program.
- 2) Engage in job search efforts including job interviews.
- 3) All such activities shall be scheduled and approved by the affected employee's supervisor with twenty-four (24) hour notice.

This shall be in addition to any accrued Paid Time Off the employee may be entitled to. Upon employee request, the Employer shall provide a letter of reference indicating that the employee was laid off for economic and not performance issues.

Severance benefits shall be paid as follows:

Employees with five (5) or more complete years of service will receive one (1) week of severance pay, pro-rated to the employee's FTE and rate of pay at the time of layoff.

<u>Section 6.4 DEFINITION OF WORK UNIT</u> The term work unit is defined by classification within a geographical location. The locations are as follows:

- (a) All Whatcom County
- (b) All Skagit County and all of Island County
- (c) East King County: including Redmond, Issaquah, Bellevue, and Kirkland

- (d) Main King County: including Seattle, Kent, Auburn, Federal Way and Vashon Island*
- (e) All of Snohomish County
- (f) All Pierce County
- (g) All Thurston County
- (h) All Clark County
- (i) All Franklin County
- (j) All of Grays Harbor County
- (k) All of Clallam County
- (I) All of Cowlitz County

The Employer shall first ask for volunteer(s) and select by seniority whenever appropriate when making reassignments within a work unit. The Employer retains the right to determine work assignments and reassignments within a work unit at Management's discretion to meet the Employer's needs, including, but not limited to, the efficient use of facilities, efficiency of operations, best mix of skill sets and working relationships. If an employee is denied a requested assignment for legitimate business reasons, the employee shall be informed of the reason no later than five (5) calendar days of making the request.

Once selected to relocate to a different location at another facility within a work unit as a permanent assignment, the employee shall be notified in writing at least two (2) weeks in advance of the move. If two (2) weeks is insufficient for the employee to rearrange such needs as childcare, the employee's supervisor shall work with the employee to provide a reasonable extension of time for the relocation. If the new location is farther than twenty-five (25) miles from the employee's current work site, the employee may choose to be laid off instead of accepting the new assignment.

If an employee is directed to a different location as a temporary assignment, and the change of location creates an additional commute of 25 or more additional miles for the employee, then the employee's work schedule shall be adjusted to accommodate for the additional commute.

Section 6.5 NOTICE OF LAYOFF Affected employees and the Union will be given at least thirty (30) days' advanced notice of layoff, unless there is an immediate governmental mandate of program closure or stoppage of service. At the discretion of the Employer, the Employer may pay the

^{*}Clinics that open in King County during the life of this Agreement shall be designated in the appropriate King County work unit by mutual agreement between the Employer and Union.

affected employee thirty (30) days' pay in lieu of advanced notice of layoff (pro-rated for part-time employees), or portions thereof. Any applicable benefits – including Employer provided health care coverage, shall remain in effect during this advanced notice period regardless of an employee receiving pay in lieu of notice.

At least one week following notification of layoff(s), the Union will be provided with the necessary data to assess the impact, including:

- (a) a summary of the layoff(s);
- (b) the implementation date of layoff(s);
- (c) the impacted work unit(s);
- (d) a description of the FTE(s) to be reduced, eliminated and/or moved to another location, including work location and manager;
- (e) the names and FTE of the employees in the impacted classification(s) in the impacted work unit(s) and the seniority roster of each impacted classification;
- (f) the positions, classifications that will be remaining after the layoff(s) are implemented, including the FTE and shift hours of each position.

Section 6.6 RECALL FROM LAYOFF When an employee is laid off, seniority shall continue for a period of twelve (12) months. To remain eligible for recall from layoff, the employee must contact the Sea Mar Administration Office once a month during business hours 8 a.m. to 5 p.m. to advise the Employer of the employee's availability for work. Failure to report breaks seniority. Preferences of employees may only be exercised for vacant positions. Where qualifications are a factor the Employer shall be judge of employee qualifications, except that the Union may challenge any decision reached by the Employer. The Employer, upon rehiring, shall do so in the order of seniority. The last employee laid off shall be first rehired; provided that, such employee is qualified for the position for which the Employer is rehiring. The Employer shall not hire from the open market if employees on the recall list, who are qualified to perform the duties of the position, are ready, willing and able to be re-employed at the time of the Employer's need.

ARTICLE 7

EMPLOYEE CLASSIFICATION

Section 7.1 REGULAR FULL-TIME EMPLOYEES A regular full-time employee is one who normally works a regular continuing schedule of thirty (30) to forty (40) hours per week. Employees who work forty (40) hours per week shall be entitled to benefits under the terms of this

Agreement. Employees who work 30-39 hours per week are entitled to prorated benefits.

<u>Section 7.2 REGULAR PART-TIME EMPLOYEES</u> A regular part-time employee is one who normally works a regular continuing schedule of less than thirty (30) hours per week.

<u>Section 7.3 REGULAR ON-CALL/PER DIEM EMPLOYEES</u> An on-call/per diem employee is one who works on an intermittent basis throughout the year to cover workload fluctuations or employee absences. On-call/per diem employees may work on an indefinite intermittent basis but will not be used regularly to fill a regular position. On-call/per diem employees are not eligible for benefits. On-call/per diem employees shall be given consideration over new hires in application for regular hours.

On-call/per diem employees who have worked at least 260 hours of service at Sea Mar shall be subject to all provisions of this Agreement including union security. On-call/per diem employees will be eligible to receive their first anniversary step increment on their hire anniversary date; provided that, they have completed their 260 hours of service to be covered by this Agreement. Thereafter, on-call/per diem employees will advance to their next step upon completion of an additional 260 hours, not to exceed one time per a twelve (12) month period. On-call/per diem employees who have not yet reached 260 hours of service at Sea Mar shall not be covered by this Agreement and shall remain at the new hire wage rate until they have reached 260 hours of service and become Union members covered by this Agreement.

If a regular full time or part time employee resigns their position, has worked eighteen (18) months, and is subsequently rehired as on-call staff, Union membership shall resume upon working 130 on-call hours. The first day worked as on-call must be worked within sixty (60) days of their termination as a full time or part time employee. The employees new hire date is based on the on-call hire date.

On-call/per diem employees who are hired as regular employees will have their anniversary date based on their hire date as a regular employee.

Section 7.4 TEMPORARY EMPLOYEE A temporary employee is one who is hired for a defined period to meet the Employer's workforce needs or caused by a regular employee's use of leave time as provided for in Articles 8, 9, 10 and 11 herein.

The duration of the temporary assignment must be defined at the time of hire. Such assignments shall not extend over twelve (12) months, unless mutually agreed to by the Employer and the Union.

Temporary employees will not be regularly utilized to fill regular positions beyond three (3) calendar months with the following exceptions:

- (a) Temporary employees hired to replace a regular employee on vacation or leave of absence may be retained on temporary status for the duration of the leave of absence. Employees will be notified by the Employer in writing of this temporary status when hired.
- (b) Temporary employees may be retained for consecutive assignments to cover PTO, FMLA or a leave of absence for different employees which may result in a temporary hire period in excess of three (3) months.
- (c) Temporary employees hired specifically for a project or for training needs for current employees.

Section 8.3 PTO/VACATION SCHEDULING Employees may take PTO as vacation to the extent it has been earned, unless otherwise approved by the Employer. Vacations will be scheduled by the Employer at mutually agreeable times in such a way as will least compromise the functions of the work unit and continuity of patient care. Vacation time already approved will be allowed if an employee transfers to a different worksite and/or department, provided that the employee shall have informed the

new supervisor at the conclusion of the transfer application process. The Employer will secure adequate staffing to provide improved vacation scheduling opportunities. Vacation requests for up two weeks (14 consecutive days) will not be unreasonably denied. Longer vacations may be approved by the Employer on a case-by-case basis.

Section 8.4 PTO/VACATION POSTING PERIOD Vacations shall be scheduled by seniority within department or work unit during the selection period of January 15th through February 15th, as long as the employee can earn the necessary PTO before taking the requested time off. employees shall earn paid time off at the rate of thirty (30) days (240 hours) per year.

Employees may not accrue more than 360 hours of unused paid time off at any time except the accrual shall be increased to 480 hours for those employees who are planning a maternity/paternity leave, provided that the Payroll Department is notified by the employee, in writing, when the employee or spouse or domestic partner becomes pregnant. The increased amount of PTO hours may be used only for maternity/paternity leaves. Any unused accrued paid time-off in excess of this limitation shall be forfeited, unless prior approval is given by the Executive Director for excess accruals based upon the Employer's needs.

If scheduling cannot be arranged to grant all employees' requests for holidays off, a rotation of holidays will be arranged for employees who are required to work on a holiday. The least senior employee hired since the previous holiday shall work the next holiday, unless a more senior employee requests to work the holiday, before being placed into the rotation.

Section 10.2 HOLIDAYS DURING WEEKENDS OR PTO If a holiday falls on a Saturday or Sunday, the Employer may operate at half-staff on the Friday and Monday around the holiday or choose to close on the Friday before or Monday after the holiday. If the Employer opts to half-staff Friday and Monday, then clinics which would have been open on Saturday or Sunday, will be closed. Staff who normally work on Saturdays and Sundays would then take that day as their holiday and shall work their normal schedule on Friday and Monday. Only the holidays designated with an asterisk in Section 10.1 will potentially be half-staffed. If the holiday falls during an employee's PTO, the employee shall receive holiday pay instead of PTO pay.

Section 10.3 PAY FOR AUTHORIZED WORK ON A HOLIDAY If an employee is scheduled to work on a holiday defined in Section 10.1 and Section 10.2, they shall receive pay at the employee's regular rate of pay

Section 10.5 HOLIDAY TREATMENT FOR COMPRESSED

SCHEDULES This section applies to all employees who work a compressed work schedule of four (4) ten (10) hour days per week. If a holiday falls on a work day on which the employee is scheduled to work, the employee will receive eight (8) hours of holiday pay, and the remaining two hours which the employee does not work for that holiday may be taken, at the election of the employee, as leave without pay, by use of the employee's PTO benefit or by working two (2) additional hours during the same workweek, if the worksite allows and it is pre-approved by the Department Head. If the holiday falls on a day on which the employee is not scheduled to work, then eight (8) hours of PTO shall be added to the employee's PTO accrual.

LEAVE OF ABSENCE

Section 11.1 BEREAVEMENT LEAVE The employer agrees to provide three (3) days of bereavement leave for those employees suffering a death of an immediate family member. The term "immediate family" includes husband, wife, domestic partner, mother, father, son, daughter, stepparents, stepchildren, sister, brother, grandchildren or grandparents, and the above defined family members of a spouse or domestic partner. This includes an employee who experiences a spontaneous miscarriage or stillbirth or in the event an employee's spouse or domestic partner experiences a spontaneous miscarriage or stillbirth. Two (2) additional days will be granted when an employee is required to travel more than five hundred (500) miles in any one direction to attend services. At the employee's discretion, they may use PTO if they have PTO accrued or they may choose to take unpaid time for the additional two days leave. Domestic partner is defined as an individual who will be identified by name, not be married to anyone, is eighteen (18) years of age or older, is not related by blood closer than would be by marriage in the State of Washington, they are each other's sole domestic partner and are responsible for each other's common welfare, share a common residence.

Employees may obtain the domestic partnership certification paperwork from the Sea Mar Human Resources Department.

<u>Section 11.1(a)</u> For the bereavement leave period, the employee shall receive pay in the amount which the employee would have earned had they worked available regular hours during the period at their regular rate of pay on their regularly assigned shift. The Employer reserves the right to require verification of the death.

Section 11.2(a) LEAVE WITHOUT PAY Employees are eligible for three (3) types of leave: Medical, personal and family. Such leaves of absence may be extended by the Employer on a monthly basis. The continuous employment and seniority status of an employee shall not be affected or interrupted as a result of leaves of absence described in this Article; provided that, seniority or benefits shall not accrue during unpaid leaves of absence except as required by law.

Section 11.2(b) MEDICAL LEAVES OF ABSENCE Employees will be granted a medical leave of absence for the actual period of a medically related disability, provided that the medical leave shall not exceed twelve (12) months. Employees will be allowed to return to work with the same rate of pay. Employees on a medical leave of absence will neither lose nor gain seniority including contractual and step increases. There shall be no accrual of paid-time-off or other benefits. Employees must maintain their medical coverage at their own expense during their leave unless the leave is covered by the Family Medical Leave Act, or WA Paid Family Medical Leave, in which case coverage shall be maintained at the same level and conditions of coverage that would have been provided had the employee not taken leave, with payments for coverage to be the rate in effect. Employees will need to make arrangements for self-payment of insurance coverage after the three (3) month period of time. Failure to arrange for self-pay of insurance after the three (3) months will result in lapse of insurance coverage. An employee hired to fill the position of the person on medical leave will be hired as a temporary employee. The temporary employee's period of employment may exceed three (3) months to cover the period of disability.

Section 11.2(c) PERSONAL LEAVE OF ABSENCE Employees may be permitted by the Department Head to take an unpaid leave of absence for personal reasons; provided that, the leave is requested in advance, when practical. Personal leaves cannot exceed three (3) months. During this period, employees will be allowed to return to the same or comparable position with the same rate of pay, including contractual and step increases, with no loss or gain of seniority, provided the leave does not exceed three (3) months. There shall be no accrual of paid-time-off or other benefits. Health insurance coverage shall not be paid by the Employer. Personal leave may be extended beyond three (3) months only

with approval of the Executive Vice President.

Section 11.2(d) FEDERAL FAMILY AND MEDICAL LEAVE ACT

- (3) Care for a spouse, domestic partner*, parent, parent-in-law, or grandparent of the employee who has a serious health condition or an emergency condition; or
- (4) Employee's own serious illness.

Employees may obtain the FMLA certification paperwork from the Sea Mar Human Resources Department. For scheduling purposes, employees must inform their supervisor of their intent to seek FMLA, but not their reason for requesting FMLA except as permitted by law. Employees who have met all the conditions for FMLA are guaranteed reinstatement to the same or equivalent job at the same rate of pay, with no loss or gain of seniority. During the period of family leave, the Employer shall continue to provide the same medical benefits for up to three (3) months to an employee who is receiving such benefits at the beginning of their leave. Employees who have been granted the benefits under WA Paid Family Medical Leave, will not be required to use their PTO for the same period for which they are granted benefits. An employee may use accrued PTO pay for which the employee is eligible during family leave. Employees who are not using the WA Paid Family Medical Leave or have exhausted the WA Paid Family Medical Leave benefits will use accrued PTO until their bank reaches 40 hours at which time they may elect to take leave without pay for the remainder of the leave for which the employee is eligible. Following the initial three months of leave, the Employer will discontinue paying for the employee's health benefits and the employee shall make arrangements for self-pay of health insurance or the insurance will lapse. There shall be no accrual of other benefits, including paid-time-off, during leave.

Employees must provide proof of court payment for jury duty in order to receive jury duty pay from Sea Mar.

Section 11.4 UNION LEAVE A leave of absence without pay shall be granted upon request of any employee on the active payroll, in case they are appointed or selected to a full-time Union position or a delegate to a Union convention or training for the period necessary to fill such position. If the leave is granted to accept a full-time position with the Union, reinstatement will be made to their former position; provided that, an appropriate job opening exists. The continuous employment and seniority status of the employee shall not be affected or interrupted as a result of such leave; provided that, benefits and seniority shall not accrue during such leave of absence. Request for Union leave of more than five (5) days must be made four (4) weeks in advance or one (1) week in advance for five (5) days or less. The health insurance coverage benefit shall not continue for union leaves greater than thirty (30) days.

ARTICLE 12

SYSTEM OR REGULATIONS CHANGES AND TRAINING

Section 12.1 SYSTEMS CHANGES In cases where positions are abolished because of regulation or systems changes, the Employer shall make reasonable good faith efforts to transfer employees to comparable jobs, provided the employees are qualified for such jobs and provided that such jobs are available in accordance with the principles of Article 6, Seniority. If the Employer's resources permit, the Employer shall give consideration to providing reasonable training to present employees to perform new duties or a higher level of skills required by regulations changes.

Section 12.2 POSTING FOR NEWLY CREATED POSITIONS In the event changes in law, regulations or systems create new jobs if they are defined as within the bargaining unit pursuant to Article 1 and which the Employer chooses to implement, those jobs will be offered to employees within the collective bargaining unit in accordance with Section 5.1 with appropriate consideration for employee qualifications and seniority in accordance with Article 6, Seniority. Where a present employee and an outside applicant have, in the opinion of management, relatively equal

qualifications for the job, preference shall be given to the present employee. Where two present employees are equally qualified for the job, in the opinion of management, preference shall be given to the senior employee.

Section 12.3 TRAINING In the event training programs are necessary for employees to qualify for their existing positions that change as a result of regulations or systems changes, the Employer shall make reasonable accommodations to permit employees to obtain such training if the Employer deems its resources permit. The Employer shall make a good faith effort to provide such training to employees to the extent as is reasonable. Employees to be displaced will be covered in Section 6.3.

<u>Section 12.3(a)</u> The Employer shall pay its employees for time spent in Employer required and scheduled in-service training sessions. In-service training sessions are training sessions for the employee's current job position. Employees who wish to upgrade their skills for higher classification may attend training sessions without pay or utilize their PTO; provided that, slots are available.

Section 12.3(b) Employees who wish to upgrade their skills may with Clinic/Program Manager approval attend training sessions without pay or utilize their PTO; provided that, slots are available. Completion of training does not assure a higher classification.

Section 12.4 CONTINUING EDUCATION Employees will submit requests to their Manager. The Manager will then submit the request via email to the Executive Vice President or her designee for approval. The employee will be notified of approval or denial within seven (7) calendar days. Upon approval, the Employer will pay the cost of continuing education for regular employees. Such assistance shall be subject to approval of the subject matter to be studied and certification or completion of course. The Employer shall not unreasonably deny continuing education. Criteria used to determine reasonableness of requests include fund availability, relevance to current position, cost, staffing and continuing education time and funds expended by the requesting employee.

<u>Section 12.5 EDUCATION AND TRAINING COMMITTEE</u> A committee not to exceed four (4) members comprised of an equal number of representatives appointed by the Employer and the Union, shall meet at mutually convenient times and places to consider and discuss procedures for the education, training and advancement of employees. Such committee may also be the Health and Safety Committee. The committee shall be advisory.

ARTICLE 13

HOURS OF WORK

Section 13.1 WORKDAY The standard workday shall consist of eight (8) hours of work to be completed within eight and one-half (8½) or nine (9) consecutive hours. Based on organizational/client needs, flexible work schedules may be implemented, provided the Employer works with employees impacted to prevent personal hardships in scheduling.

Section 13.1(a) WORKWEEK A normal workweek shall consist of forty (40) hours of work within a seven (7) day workweek and such workdays shall be consecutive whenever feasible. When a five (5) day work schedule is utilized, in keeping with organizational/client needs, five (5) consecutive workdays will be assigned by qualifications and seniority. Senior employees may request a five (5) consecutive day week only when shift changes, vacancies or new positions occur. For the purpose of administration of this Article, the seven (7) day period shall begin at 12:01 a.m. on Sunday and end at 12 midnight on Saturday. Employees doing shift work shall be assigned to the same shift, unless organizational needs necessitates otherwise or the employee transfers to a position that has a different shift requirement; provided that, the provisions of Section 5.3 are first met.

Section 13.2 ALTERNATIVE WORK SCHEDULE When mutually agreeable to the Employer and the employee, a flexible work schedule may be implemented. The establishment of an alternative work schedule will be considered on a case-by-case basis. An alternative work schedule will take into consideration the needs of the organization and client care. Alternative work schedules can include a variety of flexible work hours. Alternative work schedules can include, but are not limited to, different start and end times, and ten (10) hours days. The Deputy Director will determine if and when alternate work schedules will be allowed.

Section 13.3 OVERTIME For hourly employees overtime shall be compensated at the rate of one and one-half (1½) times the straight-time hourly rate of pay for all time worked beyond a forty (40) hour week. All overtime must be approved by the immediate supervisor, designee or other appropriate available supervisory staff. The Employer may require overtime from time to time. Overtime will first be offered to bargaining unit members by seniority and qualifications. The most senior employee may choose to work or decline overtime. If there are no volunteers for the overtime offered, the Employer may assign the overtime in order of reverse seniority. However, seniority shall not apply if the work to be performed in overtime is specifically pertinent to a specific job assignment given to a particular employee. Overtime pay rates for work performed on a holiday shall be determined based upon the employee's regular pay rate

and not upon any holiday premium.

Section 13.4 REST BREAKS Employees shall have fifteen minutes for break time during every four hours of work. Such rest periods shall be taken on an uninterrupted basis as nearly as practical during the middle of each four-hour period of work. The parties agree it is the Employer's responsibility to provide for breaks. The MA/DA/Front Desk Supervisors will be responsible for ensuring employees are able to take their breaks. Sea Mar will create a daily break schedule for non-exempt employees. It is the employee's responsibility to take their break and to notify supervisor if they are unable to take their break/s. It is the employee's responsibility to document their missed break/s on a form and will provide a copy to both the Union and the Sea Mar Executive Vice President or her designee. The Employer will ensure the Missed or Late Rest Break and or Meal Period forms are available to all employees on Share Point and the Employer will do their best to ensure that copies of the form are also available within each department.

Section 13.5 MEAL PERIODS Meal periods shall not be compensable. Employees will not be required to take their meal period until at least three (3) hours after starting work, nor less than three (3) hours before quitting time. The established meal period shall be at least a one-half hour uninterrupted rest period. In case of an emergency situation, the meal period may be taken at a different time. Meal times may be traded between staff only with prior approval of the supervisor. The meal period will be paid when the employee is required to be on duty during their meal period.

Section 13.6 TWO DAYS OFF The Employer will make all attempts to schedule regular and part-time employees at least two (2) consecutive days (and/or sixty [60] hours off in a seven [7] day period for twenty-four [24] hour facilities). Employee requests for split days off will be reviewed and approved/disapproved by the supervisor on an individual basis.

Section 13.7 REST BETWEEN SHIFTS The Employer shall make all attempts to provide twelve (12) hours off between scheduled shifts. All time worked within the twelve (12) hour requirement and continuing until the completion of the shift shall be paid at time and one half (1 ½) the employee's regular rate of pay unless the employee agreed to work an alternative work schedule that does not include a twelve (12) hour rest between shifts or if an employee volunteers to work an extra shift in addition to the originally posted schedule. Employees who advise the Employer in writing that they would like extra shifts as they become available in the future will be considered as volunteers.

<u>Section 13.8 MONTHLY WORK SCHEDULE</u> The monthly work schedule shall be posted no later than the fifteenth (15th) of the preceding

month. Except as provided under Section 5.3, no changes to the schedule may be made without a two (2) week written notice. This Section applies to all twenty-four (24) hour facilities and those clinics that may have varying schedules (e.g., open late one week evening or open on Saturday). For those clinics and/or employees who have a permanent schedule, there is no need to post schedules.

<u>Section 13.9 REQUEST FOR ADDITIONAL HOURS</u> When additional regular or temporary hours of work are available, current employees working less than forty (40) hours per week who have requested additional hours up to forty (40) hours per week shall be given preference by the Employer based on seniority, qualifications, and client and organization needs.

<u>Section 13.9(a)</u> Workload fluctuations, which include PTO, bereavement leave, etc., may be covered by temporary or on-call/per diem employees. If temporary or on-call/per diem staff are not available to cover these hours, current regular employees who have requested additional hours will be given preference regardless of regular hours worked.

<u>Section 13.9(b)</u> When all other considerations are equal, preference shall be given to extending the hours of current employees over hiring new employees; provided that such extension of hours for current employees do not result in placing an employee into a work week in excess of forty (40) hours per week. Priority will be given to regular employees who work less than forty (40) hours per week. A list of employees who request additional hours shall be maintained and updated on a quarterly basis. Senior employees shall be given preference where more than one employee is available and qualified for additional hours. It is the responsibility of the employee to notify the supervisor of their request for additional hours.

<u>Section 13.10 SUPERVISOR AVAILABILITY</u> The Employer will ensure that a supervisor is available for consultation either in person or by phone at all times when a bargaining unit employee is scheduled to work.

<u>Section 13.11 MINIMUM SCHEDULED TIME</u> No employee shall be scheduled for less than two (2) consecutive hours per workday.

<u>Section 13.12</u> Except by mutual agreement, the Employer shall not change regularly scheduled hours of work for the purpose of avoiding overtime.

Section 13.13 INCLEMENT WEATHER OR EMERGENCY CLOSURE

a. In the event of inclement weather or other emergency closure, the CEO, or their designee, will make all determinations concerning the

work status of the Employer, including if the Employer will be closed or if employees will be dismissed early. If the Employer decides to close the facility due to severe weather conditions or other emergency, the employee may choose either to use PTO, or take leave without pay if they do not want to use PTO, for the day or balance of the day remaining. Employees that take the time unpaid may have the opportunity to make up the time on-site at a later date, with supervisor authorization. If a decision is made to close the health center early due to weather conditions and employees are asked to leave after reporting to work, a minimum of three hours of work time will be paid. Time off due to site closures will not be considered an unexcused absence.

- b. If no decision has been made to close the facility during inclement weather or other emergency, but an employee believes that coming to work or remaining at work would be a risk to personal safety, the employee may request to either use PTO, or take leave without pay for the work time missed if they are out of PTO. Such requests shall not be unreasonably denied.
- c. Under severe weather conditions or other emergency, as determined by the Chief Executive Officer or their designee, a grace period of up to one (1) hour travel time with pay will be allowed if an employee makes a good faith effort and arrives at work late.

If there isn't a Sea Mar or 340b pharmacy within the employee's home or work zip code the 40% obligation will be waived. If there is a Sea Mar or 340b pharmacy within the employee's work zip code, but not one within

the employee's home zip code, and the employee fills the prescription other than at a Sea Mar 340b network pharmacy, then the employee share shall be reduced to 20% of the prescriptions. Employees can request that Sea Mar add additional 340b pharmacies by providing pharmacy name and address, and the Employer will make reasonable efforts to add the requested pharmacies into its 340b network. For purposes of this provision, reference to employees shall also include employee's dependents covered under Sea Mar's health plan. If an employee is traveling outside of a zip code that has a 340b pharmacy and needs to have a prescription filled, the 40% obligation will be reimbursed.

ARTICLE 24

LABOR/MANAGEMENT COOPERATION

In the common interests of (a) improving the conditions, compensation and benefits of employees, and (b) the ability of the Employer to recruit and retain good employees, the Union and the Employer shall work in cooperation to increase funding from federal, state and local government bodies and other available funding sources.

LETTER OF UNDERSTANDING BETWEEN

SEA MAR COMMUNITY HEALTH CENTERS AND

OFFICE AND PROFESSIONAL EMPLOYEES INTERNATIONAL UNION LOCAL 8

Regarding School-Based Schedules for Child and Family MHT's

Reason: The demand for school-based services has increased significantly and continues to grow. School-based therapists at Sea Mar have high productivity during the months of the school year, but the productivity decreases during the summer months and in December when schools are closed for the holidays. Sea Mar is establishing a 10-month schedule for eligible school-based therapists. This schedule is strictly voluntary. Only employees – new or current – who express an interest and are eligible will adopt the school-based schedule.

<u>Eligibility:</u> Employees must meet the following eligibility requirements to work on a school-based schedule:

- Must work in schools at least three days of the week. Any time not spent in the schools will be in Sea Mar clinic seeing child and adult clients on their caseloads.
- 2. Must meet current productivity expectation (if current employee) and must maintain productivity in the school-based position (see below).
- 3. Must have a good record. Must not have progressive discipline or a performance improvement plan in place for the last 6 months.

Implementation:

- FTE Employees with this schedule will be 0.83333 FTE. They will not work during the months of July and August.
- Rate of Pay The salary is the Child & Family Therapist annual salary, prorated to 0.83333 FTE. Employees will be paid 10 months a year.
- Benefits Employees will receive medical benefits throughout the year, including the
 months they do not work. PTO will accrue on hours worked. Any holidays that fall
 within July and August will not be paid. All other holidays will be paid at a rate of 7.6
 hours per holiday.
- 4. Productivity The productivity expectation for employees with this schedule is 850 encounters per year. (The annual productivity expectation for current BH providers is 920 encounters). The productivity expectation decreased by 70 encounters because 70 is the approximate number of encounters that school-based therapists produced in July and August 2018.

Note: This agreement is for a 12-month period – July 2019 through June 2020 and will be reviewed annually to determine whether to add or reduce staff on this schedule. Any staff member who does not meet at least 95% of the productivity for school- based therapist of 850 encounters is not eligible to continue the school-based schedule.

SEA MAR COMMUNITY HEALTH CENTERS Incentives for Increasing Access

Sea Mar Community Health Centers' Behavioral Health department is looking for ways to increase access for patients requesting behavioral health services. Since the pandemic, we have experienced a high volume of patients requesting behavioral health services. We want to ensure appropriate access to necessary mental health services for the community and, at the same time, compensate our clinicians for that extra hard work.

Sea Mar is offering additional compensation to current Behavioral Health providers who volunteer to increase daily productivity.

The incentive program will be launched as a 6-month trial period. Compensations submitted to all participating providers will be reconciled regularly and shall be paid each pay period.

Eligibility:

- Employees working 8-hour shifts must have more than four daily separate encounters. (A group session counts as an individual encounter).
- CSNW employees working 10-hour shifts must have more than six (6) daily separate encounters.
 (A group session counts as an individual encounter).
- Employees must continue to meet productivity requirements throughout the timeframe in which the employee is receiving extra incentives.

*The Clinical Supervisor must confirm that the documentation has been completed to Sea Mar standards to be eligible for payment. This includes:

 Documentation meets WAC requirements based on the service provided, the progress notes were completed within 24 hours of providing the service, the clinician added the charge capture code, and signed the note with their credentials.

The following services are eligible for incentive pay during work hours*:

 Group Session (counts as one encounter) and may include no less than 3 Medicaid group participants.
 Session will be 1-2 hours.

\$100 per session

Individual Therapy

\$100 per session

Intake Assessment

\$100 per intake

*Progress Notes: The Clinical Supervisor must confirm that the documentation has been completed to Sea Mar standards to be eligible for payment.

Reporting Incentives:

The following steps must be followed when completing payroll/Kronos:

- Employees participating in the incentive program will complete a weekly Incentive form
 (Attachment "A") marking the encounter that will be covered as an incentive. The total amount
 due to be paid as a supplement to the employees' regular wages and will be entered in Kronos,
 adding a supplement code "CCC Supplemental 031 BH Incentives" under the "Additional Pay
 Codes" section.
- The employee must also complete the Incentive pay documentation by completing the 'Incentive Work Timesheet' (Attachment "A"). This timesheet will be turned in to the manager for approval every two weeks as part of the payroll cycle. Every month a productivity report based on billing charges will be ran by the Employer. The information will be reconciled with the local tracking, by the manager, to ensure all encounters are being billed.
